

THE ADVENTURES OF
**LIGHTNING
LILY**

-WIELDING AN ENCHANTED SILVER PISTOL,
SHE CHAMPIONS JUSTICE AS THE FASTEST
AND SUBEST DRAW IN THE
UNTAMED WEST!

Upon hearing that wicked Maggie Scarlet has sworn vengeance for the capture of her two rustling brothers, Lily rides to the Scarlet ranch to nip the problem in the bud!

To the Scarlett Brothers, a 'fair fight' meant two bruisers against a smaller, now-defenseless opponent!!

GASP!!

Woo-hoo!!
Look at those!!
Let's get her
britches!!

RRRIIP!!

HA!! HA!!

Oh My!!
What are you...

Get the belt!!

The two scoundrels attack like coyotes on a wounded antelope, savagely pulling and tearing!!

HA HA HA!!

Step back boys.

Let's have
a look a miss 'High
and Mighty'
gunslinger!!

Aww!! Don't
you look cute in
your undies!

HA!! HA!! HA!!

HA!! HA!! HA!!

Ahh! Give me
my clothes!!

Oh I don't think
so. In fact why don't
you be a good girl and
peel off that bra!!

Bound securely, Lily is draped nude over the corral...

PLEASE!!
You can't do this!
You Fiends!!!
I'm a grown woman!

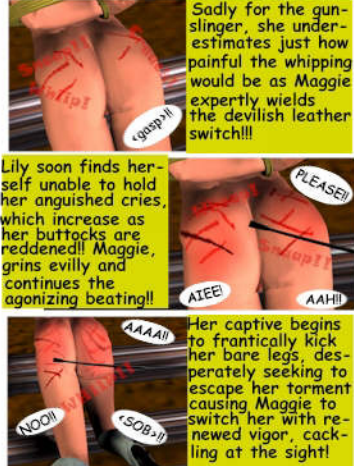

her bare bottom thrust out to her cackling captors!!

Horrified at this indignity, Lily braces as she hears the cruel snap of the riding crop!

Yes, we see that. Now, take your medicine like one!

She swears she'll not give her tormentors the satisfaction of hearing her cry out!

Sadly for the gunslinger, she underestimates just how painful the whipping would be as Maggie expertly wields the devilish leather switch!!!

Lily soon finds herself unable to hold her anguished cries, which increase as her buttocks are reddened!! Maggie, grins evilly and continues the agonizing beating!!

Her captive begins to frantically kick her bare legs, desperately seeking to escape her torment causing Maggie to switch her with renewed vigor, cackling at the sight!

Lily is given no respite as Maggie's arm tires. The hapless law-woman enjoys only a brief moment as the cruel switch is handed from sister to brother before the blistering brutality continues with renewed intensity!!!

A-A-<sob>-AH!
p, please! no more!

The Marshal sobs as each of the Scarletts takes a turn scorching her bottom!!!

S Stop!!
<sniff> You can't do this to me!!

The trio shows no mercy, ignoring her pathetic pleas! Tho' the law-woman had sent the rustlers to prison when it was in her rights to string them up!!

After the entire clan has a turn, Lily is rudely pulled from the fence to stand on battered legs!!

Hold her tight, boys!! I'm not done with her yet!!

<Groan>! You evil scoundrels!
What else can you do to me?

AAAAH!!

The Marshal receives the painful answer!!

We gave you such a pretty red bottom...

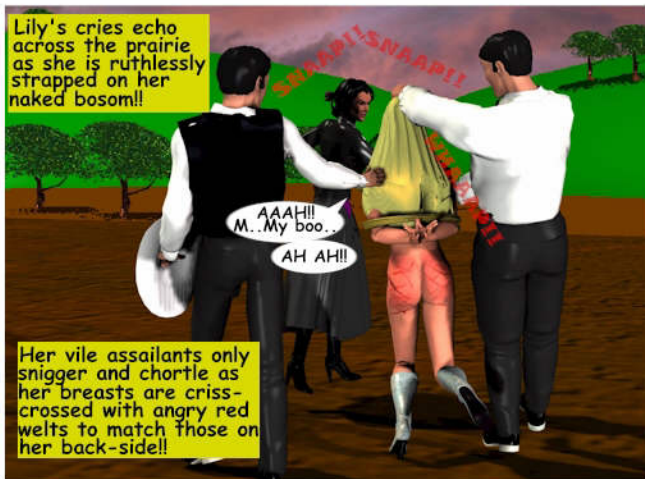

I think you need a matching top!!

Lily's cries echo across the prairie as she is ruthlessly strapped on her naked bosom!!

AAAAH!! M...My boo...
AH AH!!

Her vile assailants only snigger and chortle as her breasts are criss-crossed with angry red welts to match those on her back-side!!

This is going very well, Lily!
You should visit more often!

<sniff>

Maggie considers the law-woman sufficiently switched and allows her to slump to her knees in the dirt, sobbing!!

How can these monsters do this to me?

Aww!
You look so glum,
little marshal. Maybe
we can do some-
thing more cheery?

On your feet!!

Lily is forced to stand on her quaking legs, self-conscious of her nakedness!!

Now,
pretty Lily...

I want to see you dance!!

Never!!
Y..you awful devils!!

Mr. Sorrow,
would you please
lead our guest in
a .44 waltz?!

OF COURSE,
MISSRESS.

The sinister hired gun slides out of the shadows where he has silently watched the punishment of Lily.

OHH!!

HA HA!!

The mortified Marshal can only hop from foot to foot to avoid the evil bullets, her exhausted naked body jiggling to her captor's delight!!

The evil gunman never needs to pause to re-load, his black metal revolver not forged on this world, just like silver sidearm lately used by the dancing, embarrassed champion of Justice!!

His unearthly grin widens as his bullets narrowly miss his capering foe, the light to his shadow!!!

The citizens of Silver Gulch gather along the main street as their heroic marshal is paraded buck-naked and bawling. Maggie adds more stripes to Lily's red bottom, shocking the honorable townspeople and delighting the leering and laughing ner'-do-wells from the town's saloon!!

Chaste and pure, Lily is overwhelmed with embarrassment at the entire town seeing her in her birthday suit!!!

But, the shamed champion can only squeal and squirm as she prays for her public humiliation to end!!!

With a wicked cackle, Maggie leaves the disgraced marshal, confident that the beaten law-woman would trouble her no more!

But...heroines of any age tend not to know when to quit...

END
FOR NOW

AHH! AAH!

Please, Maggie!
<SOB>
This is the third time
thru town!
<sniff>
